### and helpful staff"

The staff and the welcome was exceptional, making me feel immediately at home. Nothing appeared to be a problem and all requests were met with a friendlyand accommodating smile. And most importantly, unlike another hire shop that my friend used, the gear was top of the range stuff.

### DON'T JUST TAKE OUR WORD FOR IT!

### "It could not have been a better experience"

We rented our skis from the Ruinette shop which was incredibly convenient as we could leave them there everyday after skiing. There was no need to lug heavy skis and boots to and from the slopes on a daily basis. We received fantastic service from Laetitia. Alex and Anton who were very friendly and incredibly helpful. I was really impressed - it could not have been a better experience.

### "Would definitely use again"

Awesome resort and ski service supplied me and my group with good quality skies and equipment with no fuss and a good price. Nice friendly and helpful staff. Would definitely use again.
