Verbier's premier locally owned ski shop since 1972

TripAdvisor:
#1 "Outdoor activities" in Verbier

About Ski Service

We have always sought the most innovative skiwear and technical brands for our shop in the heart of Verbier. In 1970's, this literally involved travelling half way round the world and bringing back the best products ourselves! Nowadays, things have changed slightly but our passion for great brands remains. We have gathered this season's leading clothing and equipment brands such as Atomic, Bogner, Kru, Arc'teryx, Salomon, DPS, Faction, Tecnica, Kästle, Völkl and many more.

SKI SERVICE VERBIER

Our main shop has been a key destination for beginners and experienced skiers alike, seeking great clothing, the latest gear and outstanding service for over 45 years.

SKI SERVICE LES RUINETTES

Our second Ski Service shop is located at the top the main Médran lift. Rent, repair, swap, service and store any equipment right on the mountain without having to ski back down into Verbier.

SKI RENTAL 20% PRE-BOOKING DISCOUNT

Rent everything you need from our huge range skis, boots, snowboards, helmets and much more using your pre-booking discount.

SKI CLOTHING HIRE 20% DISCOUNT

Rent high quality jackets, pants, goggles, gloves and beanies, saving you valuable luggage space. For adults and children.

SHOPPING 10% DISCOUNT

Save 10% on purchases at Ski Service, The North Face, Patagonia and Peak Performance shops if you rent with Ski Service.

FREE HOME DELIVERY

We can deliver and personally fit all equipment in your hotel, chalet or apartment. At the end of your stay we will collect everything.

SKI PASSES

Avoid the queues by buying your ski passes online with Ski Service on your way to the ski lift or when you collect your skis.

**"Great shop, great service
and helpful staff"**

The staff and the welcome was exceptional, making me feel immediately at home. Nothing appeared to be a problem and all requests were met with a friendly and accommodating smile. And most importantly, unlike another hire shop that my friend used, the gear was top of the range stuff.

"Great service and location"

Top quality equipment and great location on the slopes. Staff very friendly and helpful. Storage service was very handy.

DON'T JUST TAKE OUR WORD FOR IT!

**"It could not have been a
better experience"**

We rented our skis from the Ruinette shop which was incredibly convenient as we could leave them there everyday after skiing. There was no need to lug heavy skis and boots to and from the slopes on a daily basis. We received fantastic service from Laetitia, Alex and Anton who were very friendly and incredibly helpful. I was really impressed - it could not have been a better experience.

- Lulu

"Would definitely use again"

Awesome resort and ski service supplied me and my group with good quality skis and equipment with no fuss and a good price. Nice friendly and helpful staff. Would definitely use again.
